Detectives Johnny Crumby and Andrew Injaychock today were named Officers of the Year by the Donelson-Hermitage Chamber of Commerce.

Crumby, 37, a 16-year police department veteran, and Injaychock, 37, a 15-year police department veteran, are assigned to investigate crimes of violence, including homicides, committed within the Hermitage Precinct. The two were instrumental in the formulation of this year's Operation May Day, an undercover effort to take eleven indicted murder or attempted murder suspects off of Nashville's streets. The eleven suspects were each charged in one of three separate and unrelated homicide cases, two from 2011 and one from this year, or a violent home invasion robbery from October 2011. Investigations by Crumby and Injaychock were largely responsible for the ultimate identification and indictment of the suspects.

"Johnny and Andy have distinguished themselves as outstanding investigators who are committed to the safety of the Hermitage Precinct's 110 square mile area," said Chief Steve Anderson. "Both are most deserving of this honor, and I am grateful to the Donelson-Hermitage Chamber of Commerce for sponsoring the award program each year."

NASHVILLE POLICE JOIN EFFORT TO TRAIN IRAQI POLICE OFFICERS WITH THE IACP AND DEPARTMENT OF STATE

NASHVILLE, TN – The Metropolitan Nashville Police Department was selected by the International Association of Chiefs of Police (IACP) as one of 24 American law enforcement agencies to provide leadership, tactical, and field training to Iraqi Police Officials. While in Nashville this week and last, the visiting officers, from the Kurdistan Region, observed field training officers and techniques, rode with patrol supervisors and specialized units, and met with command staff.

The program is supported by a grant from the Department of State, Bureau of International Narcotics & Law Enforcement (INL). INL is administering the transition of the education and training mission from the US military to the State Department which will focus on capacity building and the Rule of Law. The goal of the program will be to enhance the participants' professional development and introduce them to American policing techniques.

The IACP and INL plan to train as many as 120 selected Iraqi officers over three years. The Metropolitan Nashville Police Department was chosen for its excellence in training its officers, working with diverse communities throughout Nashville's 533 square miles, and for its ability to assist with the integration of the Iraqi police officials to the democratic, community oriented, and evidence-based culture of American policing. According to the Department of State, this effort "will also seek to establish solid, longterm relationships as Iraqis work alongside U.S. police officers for a unique on-the-job experience."

The International Association of Chiefs of Police is the world's oldest and largest association of law enforcement executives. Founded in 1893, the IACP has more than 20,000 members in over 100 countries.

Parolee Nicholas Mackey, 26, is charged with burglarizing a vehicle outside a Rural Hill Court residence early Tuesday November 27, 2012 and is suspected in other similar crimes in the area.

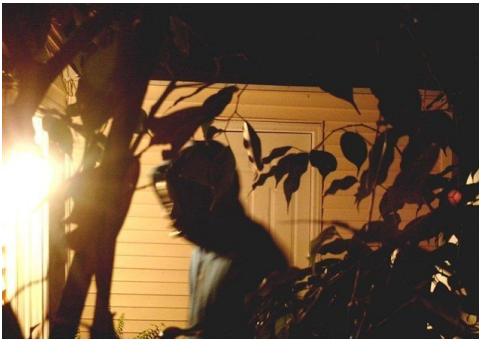

The victim saw Mackey rummaging around inside the car at 4:15 a.m. and flee in a Nissan Sentra parked nearby. The victim followed Mackey to a residence in the 2500 block of Edge-O-Lake Drive where he called police. Officers recovered the stolen items from a back pack inside the house. They were returned to the victim.

Mackey, who has theft and drug possession convictions in Davidson County, was on parole for a 2009 aggravated burglary conviction in Wilson County.

Mackey is being held in lieu of \$30,000 bond.

Hermitage Precinct detectives are working to identify two burglary suspects who late Friday afternoon attempted to break into a home in the 3500 block of Seneca Forest Drive.

The suspects damaged the victim's front gate to make entry into the yard and then attempted to use a stepping stone to pry open a back window. Unbeknownst to the suspects, the resident had hidden cameras on the property. A second residence on Seneca Forest Court was burglarized a short time later.

Anyone who recognizes the suspects from the clear surveillance photos is urged to contact Crime Stoppers at 74-CRIME. Citizens can also send an electronic tip to Crime Stoppers by texting the word "CASH" along with their message to 274637 (CRIMES) or

online at www.nashvillecrimestoppers.com. Persons who contact Crime Stoppers by phone or text message can remain anonymous and qualify for a cash reward.

Convicted felon Antonio Crockett, whose record reflects 66 convictions for offenses dating between 1997 and 2011, is one of two men now under indictment for the June 30th murder of Derrick Lyons in the J.C. Napier Public Housing development.

Crockett, 34, of Fain Street, and Timothy L. Wilson, 23, of Lakewalk Drive, are jailed on charges of first-degree murder, robbery-carjacking and unlawful weapon possession for killing Lyons in what detectives believe was part of a drug-related robbery plot.

Witnesses reported that Lyons, 43, of Dempsey Drive, was sitting in his parked green Mercedes SUV on the afternoon of June 30th when a black sedan pulled up and blocked Lyons in. During an ensuing altercation, Lyons was killed. His Mercedes was also taken. It was recovered a short time later on Donelson Street.

Crockett and Wilson are being held in lieu of \$750,000 bond each.

Smart911: Have you created your Safety Profile??

Metro Nashville Emergency Communications Center introduced Smart911 to our community in September 2010 to enhance 9-1-1 services to citizens. Smart911 allows you to create a free Safety Profile of any information you want 9-1-1 to have in the event of an emergency. Your profile is then automatically displayed when you make a 9-1-1 call.

We are asking all Metro Police Department employees to create their own Safety Profile and share this service with your family and friends. The success of our public safety initiatives starts within our own organizations.

**Create your Safety Profile for 9-1-1 at www.smart911.com today.
Safety starts with you.**

Think you'll never need to use your Safety Profile?
